Draft and specs

Specifications

Capacity: **49 IMP Gal. / 63.9 US Gal. / 222.7 liters**
AeroMassage™: **40 Easy Clean™** air jets
Super AeroMassage™: **unavailable**
Characteristics:

Remarks

All measures have a precision of $\pm 1/4"$ (0,63cm)
If a measure is present on one side only, part is symmetrical
*internal dimensions taken at 4" (10cm) from bath bottom
*capacity is measured by filling the bath to 1-1/2" under the overflow

Available models

Soaker ☒
AeroMassage™ ☒
Super AeroMassage™ ☐

Available recommended options

Front skirt:
Recommended drain: Incl. INF101 (White finish)
Tile flanges: unavailable
Floating remote control: included if ordered with system
Linear overflow: Incl. INF101 (White finish)

It may be necessary to raise the bath to install a skirt.

Additional(s) note(s)

The overflow is factory installed, the drain is included but not installed. When ordered with AeroMassage, blower must be remote mounted.
